Introduction

Thank you for using Sidify Music Converter for Spotify.

[Sidify Music Converter for Spotify \(Mac\)](#) is a professional music tool to convert Spotify music to MP3, AAC, WAV, FLAC, AIFF or ALAC format. It keeps the original audio quality and ID3 tags after conversion. By Sidify, you can download lossless music from Spotify, backup Spotify music on your local drive, transfer Spotify music to your USB, etc.

In addition, Sidify offers users two useful tools within the app. One is Format Converter, specially designed to convert your local audio files to MP3/M4A/WAV/OGG/FLAC, and the other is Edit Tag, enabling you to edit title, artist, album, genre, year and track number.

Key Features

- Convert Spotify songs, playlists, podcasts to MP3, AAC, FLAC, WAV, AIFF or ALAC.
- Convert local audio files to MP3/M4A/FLAC/WAV/OGG.
- Download Spotify music with 100% original quality.
- Proceed at 10X speed.
- Preserve & edit ID3 Tags after conversion.
- Equipped mini tools - AA/AAX Converter, Format Converter, Tag Editor, etc.
- Fully support macOS 10.15-14.
- Support Spotify Free and Spotify Premium accounts;
- Localization in 48 languages.

System Requirements

- macOS 10.15-14.
- At least 512M physical RAM.
- 1G Hz Intel processor or above CPU.
- 1024*768 resolution display or higher Monitor.
- Spotify installed.

PURCHASE & REGISTRATION

- Purchase Mac Version of Sidify Music Converter for Spotify
- Register Mac Version of Sidify Music Converter for Spotify

Purchase Mac Version of Sidify Music Converter

Quick Link: To buy a license key for the Mac version of Sidify Music Converter for Spotify, click [Here](#).

1. Why should I buy Mac version of Sidify Music Converter for Spotify?

Sidify Music Converter Mac version is a shareware, and the trial version limits users to convert the first minute for each audio for sample testing. After purchasing the program, you will be provided a license with your registration e-mail and key code which will unlock the trial version limitation.

2. What benefits do I have after registration?

- You can **convert Spotify songs without time limitation**.
- You can enjoy lifetime FREE upgrades to the latest versions of the same product.
- You can enjoy FREE technical support.

Register Mac Version of Sidify Music Converter

Step 1: Run Sidify Music Converter. You can directly click the “Cart” icon to open the registration window below and complete the registration process by filling in your registration e-mail address and key code.
